A copy of the current year's budget estimates of the municipality in the Shimoga Taluk is herewith put up It will be seen therefrom that the increase has been steady and that during the current year is estimated at Rs 3,800 In the establishment that is now proposed to be made permanent a scavenger is also included Excluding this the strength of the octroi staff as it is now proposed including the existing permanent hands would be as follows —

1 Muttaddi on Rs 10/- per month - 120
2 Kolkars on Rs 6/- each (Temporary) a — 144
Increases to them at 1 Re each (Permanent) — 24
2 Kolkars on Rs 8 each per month - 192

Total Rs 480

The cost of the establishment ordinarily allowed for the collection of octroi duty is 10% of the income so in this case would be Rs 380/- per annum

Attention is also invited to para 13 of the letter of Municipal file 285-09. |
| 1908-09? | The opening balance of the Municipality for '09-10 was only 122 Rs Though the present financial condition allows of the additional expenditure being incurred, it is not quite certain that the favourable conditions which have been in existence for only 2 or 3 years are likely to continue for ever & would therefore be advisable to continue the establishment on a temporary basis for some time longer until it is quite clear that the favourable conditions of receipts & balance will continue permanently |

The retention of the establishment temporarily for two years until the end of June 1914 is accordingly sanctioned with the observation that its permanent re-

retention will depend upon whether New-extra income keeps up the present rate of increase.
